Who Should Attend

- Oil & Gas Corporation
- Petrochemical / Chemical Company
- Oilfield Service Company
- EPC Contractor
- Equipment Manufacturer & Supplier
- Equipment Trader
- Technology & Solution Company
- Project Logistics and Transportation Company
- Training, Inspection, Testing and Certification Organization
- Embassies
- Oil Equipment Manufacturing Base / Hub
- Safety, Energy-saving and Environmental
- Government Department
- Industry Association
- Research Organization
- Insurance and Crisis Management Company
- Bank and Financial Lease Company

Exhibit Profiles

◆ Upstream E & P:

geophysical equipment, logging equipment, oil pipe, oilfield chemicals, oil field engineering and technical services, rig, mud pump, manifold, BOP, cementing, acidification equipment, fracturing equipment, workover products, oil mining gas equipment, drills, drilling tools, test mining tools, power equipment, multi-phase flow meter, offshore drilling rigs, offshore platforms, marine steel modules, subsea wellhead equipment, wire rope rigging and hoisting, anchor, offshore steel / steel grating, ocean platform crane.

◆ Downstream, Refining And Petrochemical:

pressure vessels, reaction equipment, tower, heat exchangers, flue gas composition machine, pumps, compressors, refrigeration, air-conditioning equipment, boilers and accessories, steam turbine, gas turbine, engine, filtration equipment.

◆ Midstream, Pipeline Storage:

gas separation and liquefaction equipment, cryogenic equipment, valves and actuators, sealing materials, flowmeter and Blind, steel, steel, stainless steel, fiberglass and flexible composite pipe, pipe fittings, flanges and fittings, engineering machinery, instrumentation, welding cables, electrical power, communication equipment, gas detectors, safety/health, oil spill response equipment, explosion proof motors and electrical equipment, corrosion insulation material, transport equipment, gas station equipment, environmental equipment.

◆ Third-party services:

industry organizations, associations, E-commerce, project Logistics, testing and certification, banking, legal, insurance, financial leasing, import and export, consulting, certification, and other agents.

Events Including

- ★ **Pre-Event Session** - China Sourcing Workshop, China Sourcing Lecture
- ★ **Country Session** - Myanmar, Indonesia, India, Pakistan, Mexico, Argentina, Venezuela
- ★ **Company Session** - CNPC, Taiwan CPC, BP, SABIC, Aramco
- ★ **Sector Session** - Offshore Engineering, Pipeline, Valve, Stainless Steel, Logistics, Coal Chemical
- ★ **Networking Session** - CSSOPE Gala Networking Reception, China Sourcing Cocktail, Topical Lunches, Tea Break
- ★ **Exhibition** - Over 100 exhibitors, 1000 professional visitors, 4000m² exhibiting space

Why Attend

Buyer will find the best suppliers in China and learn the latest sourcing concepts and supply chain management

Supplier will find how to become a qualified supplier for sourcing giants and highlight your products and image
